

How to Find Radius Woodworkers

Radius Woodworkers occupies converted old stone barns located in the village of Barrow Gurney on the outskirts of Bristol (just off the A370 towards Barrow Gurney). Visitors are most welcome to call in and see our workshops and showroom and will be assured of a warm welcome.

The opening hours are normally 9am-6pm Monday to Friday and 10.30am-4.30pm on Saturdays. If work commitments make these times difficult evening visits can be made by appointment. Please call or email us.
